Rules of Operation

The working group will adopt the FpML Rules of Operation (Working Group section). These outline best-practices for meetings, managing member participation, reaching group consensus and voting.

Estimated time commitment from Participants:

Members should be prepared to commit a minimum of 0.5 day per week. Full members must have the agreement and support of their management before signing up to the Working Group.

It is expected that participants will be signing up for action items and proposals, and will generally be participating in discussions during the week. All working group members are expected to align with at least one thread, and actively participate in the work of that thread.
